Dear Chair DeFazio and Ranking Member Graves,

I am requesting funding for the I-10 Calcasieu River Bridge and Approaches in surface transportation reauthorization legislation.

- Sponsor for this project is the Louisiana Department of Transportation and Development, and is located at I-10 from I-210W to US 90 in Lake Charles.
- The funding is designated to replace aging and functionally deficient bridge along with corridor and interchange capacity improvements.
- The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits improve efficiency in the I-10 corridor in Lake Charles.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

Clay Higgins
Member of Congress
