Chairwoman DeLauro and Ranking Member Granger,

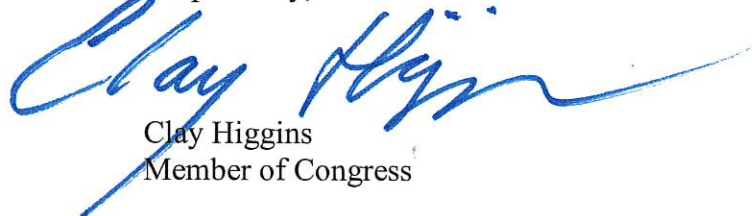

I am requesting funding for Little Florida Shoreline Protection Project in fiscal year 2022.

The entity to receive funding for this project is Cameron Parish Police Jury, located at 148 Smith Circle Cameron, LA 70631.

The funding would be used to construct approximately 2,100 linear feet of nearshore rock breakwater to protect the shoreline and nearshore habitat. This phased project is located in Holly Beach, Louisiana. The Shoreline Stabilization project will be completed by installing limestone breakwaters parallel to the shoreline.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

Clay Higgins
Member of Congress
