Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for the Southwest Coastal Louisiana Hurricane Protection Project conducted by the University of Louisiana Lafayette in fiscal year 2022.

The entity to receive funding for this project is the University of Louisiana Lafayette located at 104 E University Ave, Lafayette, LA, 70504.

The funding would be used for providing non-structural risk reduction measures for hurricanes and storm surges, as well as coastal economic restoration measures.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,
