

Congress of the United States
House of Representatives
Washington, DC 20515-1803

April 19, 2021

The Honorable Joseph Biden
President of the United States
1600 Pennsylvania Avenue, NW
Washington, DC 20500

President Biden:

Sir, the narrative of “systemic racism” dominating America’s police forces is false. The overwhelming majority of law enforcement’s men and women are solid Patriots who perform increasingly dangerous, heroic work. American law enforcement professionals have had enough of the broad condemnation of police coming from the Democrat Party. You, Mr. President, are allegedly the leader of your party. So, we need you to lead. Correct your own Democrat Party’s anti-police narrative.

Any reasonable man would admit that there are twisted hearts burdened with some level of sin in every profession. Law enforcement is not immune from that reality, nor is Congress. However, the leftist characterization that all police forces are systematically racist, bigoted, or filled with hate is a lie. The narrative that police forces have been “infiltrated” by white supremacists through some invisible national coordination is a damnable lie. Lies of that magnitude are evil, have their own agenda, threaten our Republic, and are propagated by those who writhe from the burden of their own twisted heart.

False narratives condemning the Thin Blue Line are meant to further divide America and advance the socialist cancer. Know this, and know it well, let this fact penetrate your soul... American citizens who actually love our nation would much more readily place their trust in a cop wearing a badge, than in a Congressman wearing a fancy little lapel pin. We will not sit idly by as career politicians and wealthy elitists condemn America’s police forces.

All those encouraging the endless attacks against police, be advised... America will know the truth. And the truth reveals a socialist agenda.
