Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Multi-modal Warehouse Facility project in the fiscal year 2025. The entity to receive funding for this project is Morgan City Harbor and Terminal District, located at 7327 Highway 182 P.O. Box 1460, Morgan City, LA 7381. The funding would be used for the construction of a warehouse that will improve logistics for rail and truck cargo. The project is an appropriate use of taxpayer funds because increasing storage capacity at this terminal, with direct rail access to the Gulf Intercoastal Waterway, Atchafalaya River, and Gulf of Mexico, will generate economic growth and development in the region.

The project has a Federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,

A handwritten signature in blue ink that reads "Clay Higgins".
