Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Cameron Parish Sheriff's Office 911 System Upgrade project in Fiscal Year 2027. The entity to receive funding for this project is the Cameron Parish Sheriff's Office, located at 124 Recreation Center Lane, Cameron, LA 70631. The funding would be used to replace the Cameron Parish Sheriff's Office's outdated 911 system with a modern Next Generation 911 platform. The project is an appropriate use of taxpayer funds because investing in Next Generation 911 directly improves emergency response capabilities while modernizing critical public safety infrastructure.

The project has a Federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,

A handwritten signature in blue ink that reads "Clay Higgins".
